HW

Dear Harold--

I'm sorry Kantor has not gotten back to you. There's really nothing more I can say to him. If I have any other bright ideas, I'll pass them along and hope they meet with better success.

I have not seen Hoch's letter in some months either. Nor have I heard from him, although I have sent him everything I have on my book--both good and bad, so he can offer it. I guess it hasn't come out, since I know I'm paid up with him . (AS YOU AND LIL ARE WITH N&G IF WE EVER GET IT OUT AGAIN!!!!!)

All best,

HH.
